## INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS AND BOARD OF DIRECTORS OF EVA'S INITIATIVES FOR HOMELESS YOUTH

We have audited the accompanying financial statements of Eva's Initiatives for Homeless Youth, which comprise the statement of financial position as at September 30, 2016 and the statements of operations, changes in net assets and cash flows for the nine-month period then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### Basis for Qualified Opinion

In common with many similar organizations, Eva's Initiatives for Homeless Youth derives revenues from fund-raising events and donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to revenues and excess (deficiency) of revenues over expenses for the nine-month period ended September 30, 2016 and assets and net assets as at September 30, 2016 and December 31, 2015.

### Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, if any, these financial statements present fairly, in all material respects, the financial position of Eva's Initiatives for Homeless Youth as at September 30, 2016, and its financial performance and its cash flows for the nine-month period then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Report on Other Legal and Regulatory Requirements

In accordance with the Corporations Act (Ontario), we report that the Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding period.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE NINE-MONTH PERIOD ENDED SEPTEMBER 30, 2016

---

The mission of Eva's Initiatives for Homeless Youth (the "Organization") is to work collaboratively with homeless and at-risk youth to help them reach their potential to lead productive, self-sufficient and healthy lives by providing safe shelter, a range of programs and services to help them leave the streets permanently.

The Organization operates three shelters for homeless youth as well as a youth training and employment readiness centre and provides a range of youth related programming. The Organization develops and implements innovative programs and services aimed at long-term solutions to youth homelessness.

The Organization is a not-for-profit organization incorporated under the laws of the Province of Ontario on November 30, 1989 as a corporation without share capital. The Organization is generally exempt from income taxes as a registered charitable organization under the Income Tax Act (Canada).

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### *Basis of Presentation*

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and include the following significant accounting policies:

##### *Financial Assets and Liabilities*

The Organization initially measures its financial assets and liabilities at fair value. The Organization subsequently measures all its financial assets and financial liabilities at amortized cost.

Financial assets and liabilities measured at amortized cost include cash, short term investments, accounts receivable, accounts payable and accrued liabilities, construction and holdback payable and loan payable.

##### *Designated Funds*

###### *Operating Fund*

The operating fund is a board designated reserve to further operations.

##### *Short Term Investments*

Short term investments are comprised of guaranteed investment certificates and are recorded at amortized cost, which approximates fair value.

##### *Property and Equipment*

Property and equipment are recorded at cost. Depreciation is provided over their estimated useful lives. The annual depreciation rates and methods are as follow:

Building - Eva's Place	- 4% declining balance
Furniture and equipment	- 20% declining balance
Vehicle	- 30% declining balance
Leasehold improvements	- Over the term of the lease

The above rates are reviewed annually to ensure they are appropriate. Any changes are adjusted for on a prospective basis. If there is an indication that the assets may be impaired, an impairment test is performed that compares carrying amount to net recoverable amount.

*1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)*

*Deferred Capital Contributions*

Externally restricted contributions for the purchase of capital assets that will be amortized are deferred and amortized over the life of the related capital assets. Externally restricted contributions that have not been expended are recorded as part of deferral capital contributions on the statement of financial position.

*Revenue Recognition*

*Contributions*

The Organization follows the deferral method of accounting for contributions which include donations, government grants and other contributions. Externally restricted contributions are recognized as revenue in the period in which the related expenses are incurred. Grants approved, but not received, at the end of an accounting period are accrued. Where a portion of a grant relates to a future period, it is deferred and recognized in that subsequent period. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

*Fund-Raising Revenues and Expenses*

Revenues and expenses from fund-raising events are recorded in the period in which the event takes place.

*Donated Goods and Services*

Donated goods are not recorded in the accounts, except when they are used in the normal course of business and when a fair value for such goods can be readily determined.

Volunteers contribute significant amounts of time to assist the Organization in carrying out its service delivery activities. Because of the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

*Toronto Community Services Per Diem Fees*

Toronto Community Services per diem fees are recognized as revenue when the related shelter services are provided using the City of Toronto rates in effect at that time.

*Eva's Print Shop Sales*

Eva's Print Shop sales are recognized as revenue when the goods are shipped and the customer takes ownership and assumes risk of loss, collection of the relevant receivable is probable and sale price is fixed and determinable.

*Investment and Other Income*

Investment and other income are recorded in the accounts as earned.

**NOTES TO THE FINANCIAL STATEMENTS**

---

*1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)*

*Allocation of Expenses*

The Organization serves homeless and at-risk youth and engages in providing youth programs, shelter services and fundraising and volunteer programs. The cost of programs includes direct salaries and benefits and other expenses that are directly related to providing the program services.

*Use of Estimates*

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period.

Key areas of estimation where management has made difficult, complex or subjective judgments, often as a result of matters that are uncertain, include, among others, provisions for doubtful accounts receivable, useful lives for depreciation of property and equipment and other assets and liabilities valuations. Actual results could differ from these and other estimates, the impact of which would be recorded in future periods.

*2. CHANGE IN FISCAL YEAR-END AND COMPARATIVE FIGURES*

During the year, the Board of Directors approved changing the Organization's fiscal year end from December 31 to September 30. The Organization received consent from Canada Revenue Agency on February 29, 2016.

As a result of this change, the comparative figures are for the twelve month period ended December 31, 2015.

*3. RESTRICTED CASH*

The cash balance consists of cash for operations and programs as well as restricted cash for the Eva's Phoenix - 60 Brant site construction (see *note 13*) of \$1,358,902 as at September 30, 2016 (\$2,570,781 as at December 31, 2015).

#### 10. FINANCIAL INSTRUMENTS AND RISK EXPOSURE

The Organization is exposed to various risks through its financial instruments. The following analysis provides a measure of the Organization's risk exposure at the statement of financial position date.

##### *Credit Risk*

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Organization's main credit risks relate to accounts receivable. The Organization mitigates credit risk by performing credit checks and imposing credit limits. Management has included adequate provision for doubtful accounts receivable in these financial statements.

##### *Liquidity Risk*

Liquidity risk is the risk that an Organization will encounter difficulty in meeting obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities, construction and holdback payable, loan payable, and commitments. The Organization expects to meet operating obligations as they come due by generating sufficient cash flow from operations. The Organization expects to meet capital commitments from funds raised, committed funding and through additional fundraising activities.

#### 10. FINANCIAL INSTRUMENTS AND RISK EXPOSURE (continued)

##### *Market Risk*

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The Organization is not exposed to significant currency or price risk. The Organization is exposed to interest rate risk mainly in respect of its loan payable and short term investments. Details are disclosed in *notes 4 and 5* respectively.

#### 11. GUARANTEES AND INDEMNITIES

The Organization has indemnified its past, present and future directors, officers and volunteers against expenses (including legal expenses), judgments and any amount actually or reasonably incurred by them in connection with any action, suit or proceeding, subject to certain restrictions, in which they are sued as a result of their involvement with the Organization, if they acted honestly and in good faith with the best interest of the Organization. The Organization has purchased directors' and officers' liability insurance to mitigate the cost of any potential future suits and actions, but there is no guarantee that the coverage will be sufficient should any action arise.

In the normal course of business, the Organization has entered into agreements that include indemnities in favour of third parties, either express or implied, such as in service contracts, lease agreements or sales and purchase contracts. In these agreements, the Organization agrees to indemnify the counterparties in certain circumstances against losses or liabilities arising from the acts or omissions of the organization. The terms of these indemnities are not explicitly defined and the maximum amount of any potential liability cannot be reasonably estimated.

#### 13. EVA'S PHOENIX

The Organization operates Eva's Phoenix, a transitional housing and education and employment training facility that prepares at-risk youth for integration into the community. It is also home to Eva's Print Shop, Canada's only full-service commercial printer dedicated to employment training for homeless and at-risk youth. During the period, Eva's Phoenix moved from its previous location to a new city-owned heritage building at 60 Brant Street, Toronto, after a Toronto council decision to sell the former location to a developer.

The Organization launched a project to renovate the existing heritage building into a premise that fits the needs of the Organization. The Organization has an estimated cost of \$12.1 million for the project. Construction began in April 2014. As at September 30, 2016, the Organization has incurred \$11,600,000 (2015 - \$7,907,000) for the design and construction of the new Eva's Phoenix site.

At September 30, 2016, the total funds received towards the cost of relocation and construction are \$9,965,000 (2015 - \$9,425,000) with another \$199,500 (2015 - \$219,000) outstanding in committed funding, and \$120,000 confirmed towards a building reserve, with costs of \$300,000 (2015 - \$269,500) to raise this capital. The balance of the cost of the project will be funded through additional fundraising activities and/or one-time government grants.

#### 14. SECTION 37 AND SECTION 45 FUNDS

Subsequent to the fiscal period end, the Organization received \$1,558,862.76 capital funding from the City of Toronto designated for the 60 Brant Street renovation. Funds were secured under Section 37 and Section 45 of the Planning Act and were allocated to capital expenditures of Eva's Phoenix at 60 Brant Street as follows:

Funding received	\$ 1,558,863
Funding applied to the following expenditures:	
- Construction costs	1,392,484
- Professional fees	166,379
Total expenditures	\$ 1,558,863

A significant portion of these expenditures were financed through a bank loan as the (expenditures) payments came due prior to the Organization receiving the funding from the City of Toronto.

#### 15. LITIGATION

The Organization is party to legal proceedings which arise from normal operating activities. Actual liabilities with respect to these actions and proceedings can not be determined, but management believes that any potential liability will not materially affect the Organization's financial position.
