**How did you hear about us?** \_\_\_\_\_

A key part of being a **Foundations of Print** participant is that you are **COMMITTED!** This means you show up on time, show up everyday and try your best. If you miss class, you hold everyone back. This is an investment in your future. The more you put in, the more you will get out. **You CAN do it,** and we are here to help make it happen.

Classes are **Monday to Friday, 8:30am to 2:00pm**. There are also a few special professional development activities that are **mandatory** and that sometimes go beyond these hours: print trade shows, print tours etc. We will let you know about these activities well in advance.

Treat this like a job, because in three months you will be able to get one, and if you miss work and don't call or don't show up you will be fired.

To get you thinking about how you can succeed in our program, **please answer all these questions:**

- 1. What would be some reasons that you might not show up for class, or might be late?**
  
  
  
  
  
  
  
  
  
  
- 2. What is your plan to stop these reasons from affecting you? How could we assist you?**
  
  
  
  
  
  
  
  
  
  
- 3. Why do you want to be in the Foundations of Print Program?**

4. **Where do you want to work after the program (think about job related tasks not specific employers)?**

5. **What research have you done to find out about the print industry? (looked up in newspapers, magazines, visited a Kwik-Kopy or FedEx Kinkos) Please give a specific example.**
