AN INVITATION TO LEAD WITH US

At Eva's, we are continually reminded that lasting change only happens when committed partners step forward. Leaders like you have the opportunity to shape what stability and possibility look like for the hundreds of young people who access our shelter and transitional housing programs each day. Together, we can do more than respond to crisis — we can help young people build futures defined by choice, opportunity, and independence.

Youth homelessness is closely tied to housing affordability, limited job opportunities, and barriers to mental health support. Addressing it requires practical, long-term solutions and strong leadership from across our business community.

We are proud to invite you to join us at the 2026 Eva's Golf Classic. Hosted at a premier course and attended by leaders across real estate, construction, and finance, it is an exceptional day of golf, networking, and purpose.

Please join us to strengthen relationships, showcase your leadership, and create lasting impact for young
